Notice

This notification (or authorization) does not confirm the arrival of foreign investment funds. When any authorization, approval or notification is required by another law, the applicant must meet the requirements prescribed under that law. Regarding notifications or applications, applicants may be disadvantaged under the Foreign Investment Promotion Act if they fail to submit required documents, submit false documents or omission/errors are found in the submitted documents.

Procedure

Instructions

①~③ A 'Foreign Investor' is a foreign citizen (individual or corporation) who intends to acquire stocks, etc. in accordance with the Foreign Investment Promotion Act. Please write the foreign investor's name and address in English. If there are multiple foreign investors, please fill out the details of all investors. In the case of international economic cooperative organizations under Article 2 (1) of the Enforcement Decree of the Foreign Investment Promotion Act, leave 'Nationality' blank.

④ · ⑤ Please write the name of the company in which the foreign investor intends to invest (or contribute) (including the company currently being established) or the name of the domestic company whose stocks, etc. will be purchased. In addition, provide the business registration number of the

Instructions

company's headquarters (if the company is currently being established, just write N.A.).

⑥ Please specify the address of both the headquarters and the main factory (or main place of business). If the company is in the manufacturing business, the applicant must provide the address of the main factory. If the company is in a business other than manufacturing, please specify the main place of business (or research center). In addition, specify the address of the location of investment if the investor acquires newly issued stocks or shares. Please specify the "Road Name" or "Name of Town(Eup, Myun, Dong)" of the specific location of investment. (If there is no specific location of investment, just write the address of the headquarters.)

⑦ Please specify the intended business of the foreign-invested company (or the current business of the company issuing the stocks, etc.). If there are multiple businesses, please list the main businesses up to a maximum of four.

⑧ Please write in Korean won the total par value of all stocks, etc. in the foreign-invested company (or the total amount he or she has contributed), both before and after the foreign investment in Korean won up to the last digit. If the paid-in capital of the company issuing stocks does not match the total par value of all stocks (number of shares x par value per share (stock)), write down the latter and additionally record the former.

⑨ · ⑩ Please mark only when the selected item for ⑪(type of investment) is 'Establishing corporation (outstanding)'

⑨ 'Acquisition of Managerial Control' refers to any of the following cases listed below. Where it satisfies any of the followings, please mark [v].

1. Where a foreigner intends to acquire a company (including in cases where he/she intends to establish a new corporation by separating a specific part of business of a company; the same shall apply in this Article) through the trade of stocks, etc., an exchange or merger between companies, exercise of security rights, receipt of payment in kind, or any other method and he/she intends to own solely or jointly at least 50/100 of the stocks, etc. of the company with any of the following persons (including in cases where a foreigner becomes the largest holder of stocks, etc. with less than 50/100 thereof and is able to exercise dominance over the appointment of directors or management of the company whether directly or through a related party):

(a) The spouse and lineal ascendants and descendants (including lineal ascendants and descendants of the spouse) of the relevant foreigner;

(b) A foreign corporation, at least 50/100 of the total number of issued stocks or the total amount invested which is owned by the relevant foreigner jointly with the persons in a relationship prescribed in items (a) or (c) or under their de facto dominance;

(c) The relevant foreigner and an employee of a person prescribed in item (b) or (d) (In the case of a corporation, this refers to an executive, a commercial employee or an employee under an employment contract, and in the case of an individual, this refers to a person who earns a living through the money or property of an individual);

(d) A foreign corporation which owns at least 50/100 of the total number of issued stocks or the total invested amount jointly with the corporation prescribed in item (b), the relevant foreigner and persons prescribed in items (a) and (c);

(e) A foreigner who has agreed, by means of an agreement, contract, etc., to acquire or dispose of stocks, etc. or exercise voting rights (including the authority to direct the exercise of the voting rights) jointly with the relevant foreigner;

2. Where a foreigner intends to take over or lease all or a major part of the business of a company or operate de facto the relevant company by being entrusted with the management of the company, whether solely or jointly with a related party.

In ⑩ 'Whether domestic company to be invested in falls under Article 5 (1) 2 of the Enforcement Decree of the Foreign Investment Promotion Act', mark [v] where the company: produces defense materials under the Defense Acquisition Program Act, produces strategic items pursuant to the Foreign Trade Act, possesses confidential national contract pursuant to the National Intelligence Service Korea Act, possesses national core technology pursuant to the Act on Prevention of Divulgence and Protection of Industrial Technology.

⑪ Select one item for main 'type of investment'

- Establishing corporation (newly issued): A foreign investor participates in the establishment or capital increase of a domestic corporation
- Establishing corporation (outstanding): A foreign investor acquires outstanding stocks or shares of a domestic corporation
- Establishing private enterprise: A foreign investor invests in an unincorporated private enterprise
- Contribution to non-profit corporation: A foreign investor participates in a contribution to a non-profit corporation.

⑫ Select one item for main 'investment purpose'

· Establishment/expansion of a factory: A foreign-invested company in the manufacturing business(or a company that operates both manufacturing and non-manufacturing businesses) will use foreign investment funds for the capital investment or operation of a business.

· Establishment/expansion of a place of business: A foreign-invested company in a non-manufacturing business will use foreign investment funds to operate or expand its non-manufacturing business.

· Merger or Acquisition of a foreign-invested company: Intending to acquire the stakes or equivalents of an investment recipient company (the company the foreign investor intends to invest in (or contribute to) stipulated in ④) with foreign investment funds to secure managerial rights

· Merger or Acquisition of another company: Intending to acquire the stakes or equivalents of a company other than one that is a recipient of investment with foreign investment funds to secure managerial rights

In ⑬ Seller of Stocks, etc. (individual or corporation), fill in only when the foreign investor makes a foreign investment through the acquisition of existing stocks, etc. State the trade name or name in Korean (or English), and if there are two or more sellers, state the primary seller in terms of size of sale and the total number of sellers (e.g. Hong Kil-dong and 2 additional persons).

In ⑭, write down the acquisition price of each object of investment (or contribution) classified by type of object of investment (or contribution). In the case of stocks, real estate, industrial property rights, etc., check [v] where relevant and write down the acquisition amount in 'Other'.

※ Note: Among the objects of investment, bonds only refer to investment in the types of borrowings pursuant to Article 2 (1) 8 (f) of the Foreign Investment Promotion Act or bonds equivalent to the amount of redemption of overseas borrowings.

In ⑮, write down the total value of the investment (or contribution) by the foreign investor in Korean won and the equivalent amount in USD (for USD, the currency exchange rate at the time of investment notification shall apply). If there are two or more foreign investors, write down the amount for each investor. ※

Note: When an acquirer of stocks or shares is a foreigner (individual or corporation), write down the total value of the shares or equivalents ⑬ in total acquisition price(same as the Amount of Foreign investment in the form 'Certification of a Foreign-Invested Enterprise') in the total acquisition price ⑮. In this case, the total acquisition price may not be consistent with the acquisition price according to stock transfer contract as specified in ⑯. In ⑰, write down total acquisition price in ⑮.

In ⑯, provide all relevant information about the stocks or shares that will be acquired by the foreign investor specified in ① (except when investing in non-profit corporations). The total acquisition price must be consistent with the acquisition price specified in ⑮. Foreign currency must be converted into Korean won. If there are multiple foreign investors, specify the necessary information for each investor.

In ⑰, write down the amount and percentage ratio of foreign investment of the foreign investor ① in the foreign-invested company (or issuer or stocks, etc.)

④. In 'Total Acquisition Price', write down the sum of the existing acquisition amount invested by the foreign investor in ① and the par value of all stocks in ⑮. Please express as a percentage the total value of all stocks, etc. owned by the foreign investor in ① (or the percentage of the foreign investor's contribution) relative to the total value of all stocks, etc. of the company (or total contributions). If there are multiple foreign investors, specify the relevant information for each investor.

⑱ Please specify the number of full-time jobs expected to be created by the investment.

In ⑲, write down the reason for the acquisition of stocks, etc. where Articles 5 (2) 2 through 6 of the Foreign Investment Promotion Act apply.

※ Note: Attach separate pieces of paper if necessary.
